Choosing a home medical equipment supply company is a very important decision. You can count Care Medical to provide responsive customer service, quality products and timely, dependable after-the-sale support.

— CUSTOMER SERVICE - SALES & RENTALS —

Buying medical equipment and dealing with insurance companies can often be a confusing and frustrating process. It is our goal to make your experience with Care Medical as enjoyable and stress-free as possible. From helping you find the equipment that meets your specific needs to providing assistance billing insurance, our Customer Service Support Representatives pride themselves on exceeding your expectations — before, during and after the sale.

— EQUIPMENT DELIVERY —

All Care Medical & Rehabilitation Equipment delivery personnel are extensively trained to do far more than just “drop off” equipment. Upon delivery, they provide a complete setup and thorough training on the proper and safe utilization of each item for the customer and the caregiver.

— EQUIPMENT REPAIR & MAINTENANCE —

Many companies sell products; however, very few can back up the sale with full, in-house repair and maintenance. Care Medical has Certified Repair Technicians at each of our branch locations providing our customers with easily accessible and timely repair of their equipment.

CARE MEDICAL EQUIPMENT IS YOUR “PARTNER IN CARE”

Care Medical & Rehabilitation Equipment is a family-owned and operated company that has been providing quality home medical & respiratory equipment and services in Oregon and Washington since 1970.

— Our commitment to extensive, personalized service is the cornerstone of our business —
